Manoj Vamshi Begumpet

Microsoft Certified : Azure Administrator

Results-driven IT professional with over 5 years of experience in cloud technologies, technical support, and software development. Expertise in Microsoft Azure, AWS, Office 365, and a variety of programming languages (Java, JavaScript, SQL). Proven track record in delivering cloud solutions, troubleshooting complex technical issues, and optimizing operational efficiency. Seeking to leverage my technical skills and experience in a dynamic IT environment to drive innovation and support organizational growth.
